

## Procedure Self-Pay Rates

**Pricing Disclaimer:** The prices below are for self-pay patients only. Payment is due at the time of procedure. These prices do not apply if we are filing insurance for your surgery. The prices below are for the facility fee only. They do not include any implants used during your procedure. You will be given an estimate of the implant cost prior to your surgery.

These prices do not include your surgeon's or anesthesiologist's fee, both of which will be billed separately.
